Good News (2:45-2:50):

- **Our 5th graders were so well behaved at the symphony and our Battle of the Books teams were also wonderfully behaved. We are proud of our students!**
- **Boosterthon is a lot of fun and the kids are very excited**
- **Our school was top seller for the Autism awareness t-shirts**
- **1st grade was engaged and enjoying their Wit and Wisdom books. A 1st grader expressed that he hopes that Boosterthon money will be used to purchase more books!**

Agenda (item and time)	Relevant data, information, discussion	Outcome and Action
Does it affect the whole school? Does it impact our school improvement goals?		
Proposed Planning date: (Davidson, 5 min) 2:50-2:55	A proposal was made for a SIT workday on June 13th 8-3 Lunch provided.	Outcome(s): The team voted to have June 13, 8-3 as the work day Action(s) Required: Teams and Committees should begin gathering dates for 2019-2020.

		These dates need to be given to CLT by June 6.
Feedback from Fall in Love with Literacy Event (Davidson 5 min) 2:55-3:00	<ul style="list-style-type: none"> -Overall great feedback. Highest parent event this year with approximately 373 parents in the building. Built strong home-school connection and parents felt welcomed in a non-threatening way. -Suggestion from Book Fair- Hold the morning event on Thursday and Friday to give classes time to shop- they ran out of some of the books. -Suggestions- probably don't need donuts or water next year. Think about ways to engage all students so some don't feel left out if their parent doesn't come. - Possibly more fathers in the building (perhaps the time of day) 	Outcome(s):
		Action(s) Required:
Title 1 Needs Survey (Debbie 5 minutes) 3:00-3:05	<ul style="list-style-type: none"> -Teams can trade out a Tuesday or Wednesday day that week. - Teams need to fill out the Title 1 Needs Survey during grade level planning time on April 8th. Grade level chairs will receive it. - A recommendation was made for teams to take a running list of items you are currently using that were bought by Title I. Our budget will be tight, so make it count! 	Outcome(s):
		Action(s) Required:
Math Workbook update (Christen 5 minutes) 3:05-3:10	<ul style="list-style-type: none"> The county is not purchasing math workbooks or the online platform next year. Workbooks and online platform would be \$18,000 New Classroom is \$1,000 Just realize platform would be \$10,000. 	Outcome(s):
		Action(s) Required: We need input from teams on what you cannot live without.
Project GLAD (Jackson 5 min) 3:10-3:15	<ul style="list-style-type: none"> We are a targeted school because of our ELL students who did not pass EOGs. We are getting \$9,000 from the state for project GLAD for training at WRESA. One person per grade level. The staff have been chosen. Those teachers, plus Olga will be gone 6 days total for this training. April 23-24 and May 14-17. We have heard from teachers who have been through this that the training is very beneficial to ALL students. 	Outcome(s):
		Action(s) Required:

<p>End-of-year activity (Christen 5 minutes) 3:15-3:20</p>	<p>Proposal: Students visiting next grade level at end of year for 30-45 minutes. 5th grade goes back to Kindergarten and plays/has fun, other grades learn about new tools they will use. This helps relieve anxiety and build excitement in students.</p>	<p>Outcome(s):</p> <hr/> <p>Action(s) Required: Talk to team and email vote by April 5th.</p>
