

# SEESAW INSTRUCTIONS

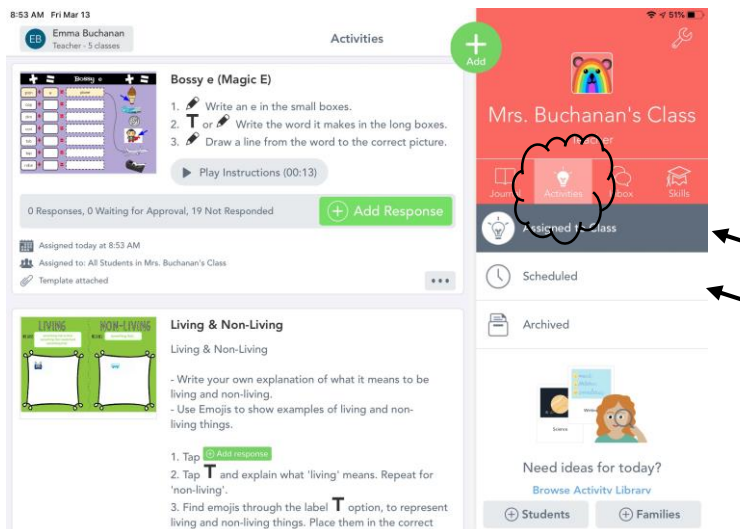

Fairview First Grade

## Step 1 : Once you open seesaw app-

Make sure you have selected your name

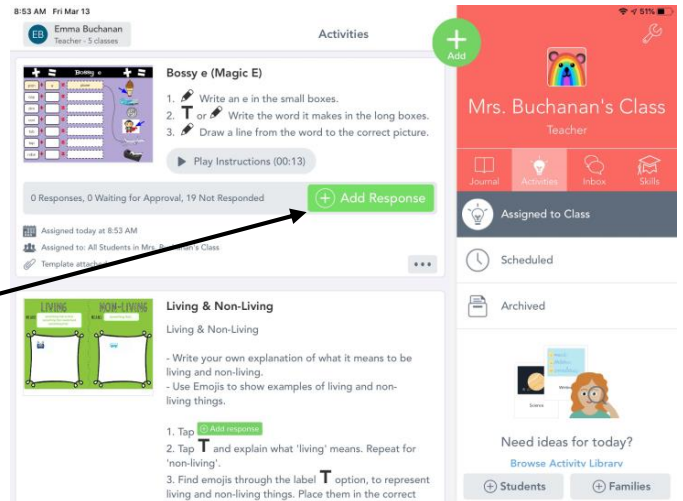

## Step 2: Select your activity

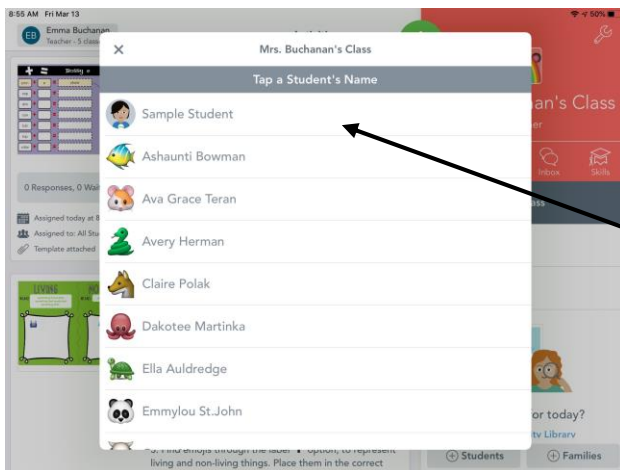

Your daily activities will be found in either the Assigned to class or the scheduled tab.

## Step 3- Add your response

Click Add Response

## Step 4: Click YOUR name!

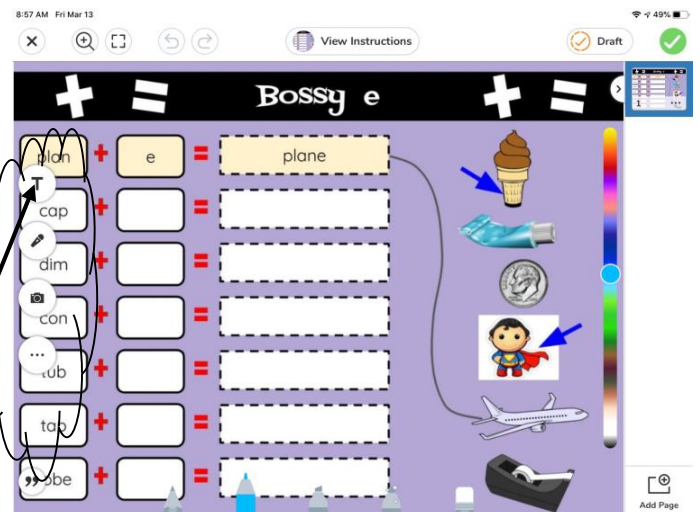

Make sure you select your name!

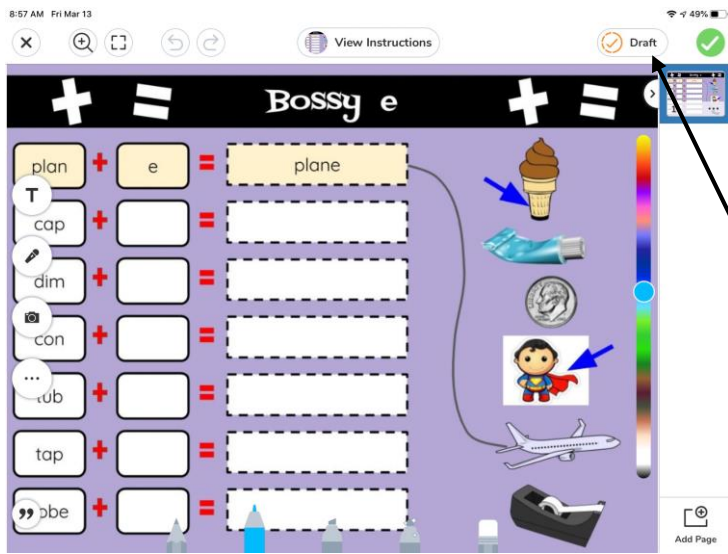

## Step 4: Create your response

Here is your toolbar!

If you are writing letters they need to be text so your teacher can read it!

## Step 6: Complete your assignment

Once you are completely finished submit your assignment by clicking the green check.

If you are not finished and still need to work you can click the orange check so you can go back into this assignment and work on it.

# Here is your class QR code:

If you need any help please contact your teacher. We are happy to help!
